## Eligibility:

**TO QUALIFY FOR OHIO THOROUGHBRED FUND MONEY IN 2009, HORSES  
MUST BE REGISTERED UNDER THE THOROUGHBRED FUND PROGRAM.**

## Conditions:

**1.** All Ohio-funded stakes races must go if there are six or more betting interests. If an Ohio-funded stakes race draws five or fewer betting interests and the track elects not to permit wagering on this race, the race will be run as an exhibition and the purse will be dropped to Ohio Fund Money. Any Ohio-funded stakes race scheduled at one mile on the main dirt track will move to the next available longer distance if more than eight horses are entered.

All Ohio-funded stakes race nomination blanks **excluding Best Of Ohio** will read as follows: A fee of \$50 each shall accompany the nomination. Entry fees shall be 1% of the State's share of the total purse, which shall be due at the time of entry. An additional fee of 0.65% of the gross purse will be required to start. Nominating and entry fees shall be returned to excluded horses.

All Ohio-funded stakes races except the Best Of Ohio, Juvenile, and the John W. Galbreath (**28 stakes for 2009**) will be funded as follows: **35%** from the Ohio Thoroughbred Development Fund and **65%** from the horsemen's purse fund.

**2.** No Ohio Thoroughbred Fund Stake will be split. All Ohio Thoroughbred Fund stakes that have more entries than the starting gate will hold, will be drawn under the following guidelines:

(A.) Horses with the highest earnings in the year of the stake as calculated at time of closing and preceding year are preferred;

(B.) When an Ohio Thoroughbred Fund Stake has more entries than the starting gate will hold, there shall be sixteen horses drawn into a race on the dirt and fourteen for the turf. At scratch time if one or both horses with the lowest earnings should draw in they will race from their assigned post positions at time of draw. Scratch time, for the purpose of this condition, shall be one half hour before the first live race on the day of the race, at the track where the race is to be contested. Nominating and entry fees will be returned to owners of excluded horses.

(C.) Six stakes, The Juvenile, John W. Galbreath, Queen City Oaks, Cleveland Gold Cup, Governor's Buckeye Cup and Rose DeBartolo Memorial, shall be assigned weights consistent with Best of Ohio weight assignment for age and sex.

**State Share — \$317,500      Horsemen's Share — \$107,500      Total Purse — \$425,000**

Each Stake race shall consist of a maximum of 14 horses, eligibility to be determined by money earned. Eligible horses racing at least once in Ohio during 2009 credited with 2008 and 2009 earnings. Non-starters in Ohio during 2009 credited with 2009 earnings only. Should horses tie for eligibility, the following order will be used to determine participation: (a) Horses with the highest total earnings in the year of Stake and preceding year; and (b) Lottery.

1. The major races in each division were targeted: **"Best of Ohio"** Championships, Governor's Buckeye Cup, Juvenile, Cleveland Gold Cup, Rose DeBartolo Memorial and Queen City Oaks.
2. Races for 3-year-old colts and races for older males have been scheduled as far apart as possible.
3. Races for 3-year-old fillies and races for older mares have been scheduled as far apart as possible.
4. Races have been distributed between racetracks to afford as much equity as possible based upon the number of racing dates and moneys generated for the program at each track. Every effort has been made to avoid having consecutive races at any one single racetrack.

**An "Ohio-bred" for the purpose of these conditions means one registered with the Ohio Thoroughbred Race Fund. These conditions are subject to interpretation, review and revision at any time by the Ohio State Racing Commission. All decisions made by the Ohio State Racing Commission with respect to these rules and regulations shall be final.**
